

# NORWOOD PARK HISTORICAL SOCIETY

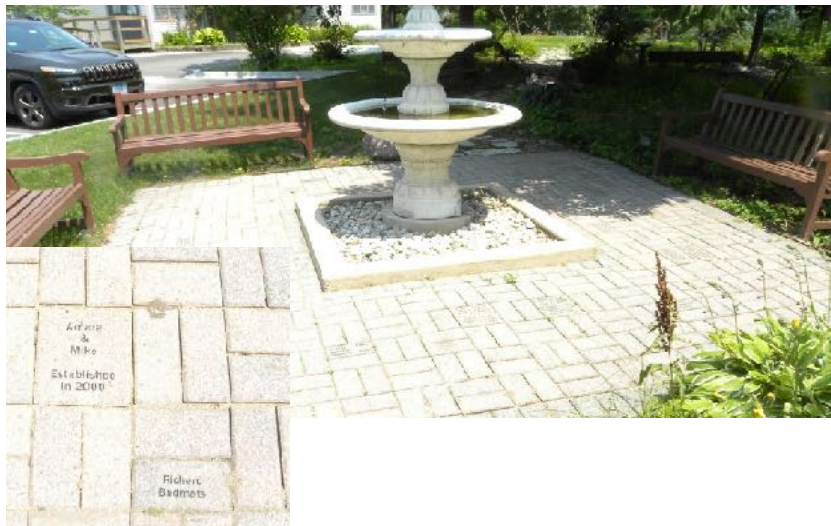

## BRICK PAVER STONE PROGRAM

The Norwood Park Historical Society is well-known for its beautiful gardens, one of the winners in the City of Chicago's 2008 Landscaping Awards. We are once again offering our brick paver stone program, so you, your family, and friends can be included in our Remembrance Fountain.

Purchase a brick paver stone that will be on display around the fountain and add your own personal message to it. What a great way to acknowledge someone special with this permanent historic marker! You could use your brick paver stone to: honor or remember friends, family, or special events.. Your personalized brick will be on view for visitors right outside Chicago's oldest home.

Choose your own text and message:
